Leadership, Time Management, Problem Solving, Communication, Organization, Collaboration, Flexibility, & Dependability

EDUCATION

Savannah College of Art and Design

Atlanta, Georgia

BFA, Interior Design

January 2023 - November 2025

Final GPA: 4.0, Summa Cum Laude

Colorado State University

Fort Collins, Colorado

Interior Architecture and Design

August 2021- May 2022

PROFILE

Interior Design graduate of the Savannah College of Art and Design (SCAD) seeking a professional career with an interior design firm. Organized and proactive, with a strong work ethic and strong time management skills. Proven ability to work well in a team environment and collaborate effectively with peers on complex, time sensitive projects. Proficient in Revit, AutoCAD, Adobe Creative Suite, and Microsoft Office.

WORK EXPERIENCE

Wright Gardner Architect, LLC - Atlanta, GA

Interior Designer (temporary, full-time)

November 2025- present

Interior Design Intern (part-time)

May 2022- October 2025

- Develop interior layouts and space planning concepts for residential and commercial projects from schematic design through construction documentation
- Produce detailed drawing sets in Revit, including plans, elevations, and finish documentation, ensuring coordination and technical accuracy
- Create quality renderings and client presentations to communicate design intent and support approvals
- Select finishes, materials, fixtures, and furnishings aligned with project scope, budget, and overall design vision
- Meet directly with clients to review concepts, material selections, and project progress across all phases
- As an intern, I supported residential and commercial projects through as-built documentation, schematic layouts, redline revisions, and construction document coordination

Invision Design Studio - Alpharetta, GA

Interior Design Intern (full-time)

June - August 2025

- Supported hospitality projects from schematic design through documentation, including national brand hotels (i.e. Marriott, Hilton) and custom properties across the United States
- Assisted with client presentations, prototype schematic packages, and vendor coordination for finish and material selections
- Drafted and tagged plans, elevations, and public space layouts in AutoCAD, refining drawing accuracy through redline revisions

RECOGNITION & ACTIVITIES

Dean's List for Academic Excellence at SCAD

- Winter 2023- Fall 2025 (12 consecutive quarters)

Study Abroad

- Attended SCAD's Lacoste, France campus (March 2024- May 2024)

International Design Awards Recipient

- SCAD faculty recognized capstone project for submission into the 2025 International Design Awards (IDA)
- Awarded Bronze in the Hospitality Interior Design Spa and Wellness Facilities category

Student Member

- Tau Sigma Delta (academic honors society), SCAD IDO (Interior Design Organization), International Interior Design Association (IIDA), American Society of Interior Designers (ASID), and Network of the Hospitality Industry (NEWH)
